What's Happening...

Spring is nearly here and is bringing with it all the fun and excitement of new beginnings! Since we had so much fun implementing a new admin system last year, we've decided to do it again for our 2018/2019 year!

While the system we brought in last year had some elements that worked well for you and for us, we know we can do better by having a system that is specifically designed for use at a growing performing arts studio like Star. This new system will be up and running in time for Priority Registration for current families. Our new tentative schedule for 2018-2019 is set to be released March 19, 2018. Online Registration will begin for current families on March 26, 2018!

We are also introducing class bundles that will be scheduled according to each style bundle. Students can still sign up for any and all of their favourite classes. Our bundles are designed to help meet specific wishes and goals expressed by our students.

Our bundles for 2018-2019 include:

"I LOVE Cirque" featuring Acro, Tumbling, and Ballet classes

"I LOVE Musical Theatre" featuring a triple threat combo of Acting, Dance, and Star Glee classes

"I LOVE Jazz" featuring Jazz, Ballet, and Lyrical classes

"I LOVE Rhythm" featuring Irish, Flamenco, and Tap classes

"I LOVE Hip Hop" featuring various street styles of Hip Hop

Music students have all been given their Priority Registration forms. These forms are important in helping us put together our music schedule for the coming year. Please help us ensure that you have a lesson time that works well for you, by completing this form and returning it to the office by March 10.

***Shows Beginning on March 14 at
Hamilton Family Theatre Cambridge***
(formerly Dunfield Theatre Cambridge)

Get ready for something big with Hairspray, the musical-comedy phenomenon that inspired a major motion picture and won eight Tony® Awards, including Best Musical.

It's 1962 ... the '50s are out and change is in the air. Baltimore's Tracy Turnblad, a big girl with big hair and an even bigger heart, has only one passion – to dance! She wins a coveted spot on the popular Corny Collins Show, and overnight is transformed from social outcast to irrepressible teen celebrity. But can a trendsetter in dance and fashion vanquish the reigning princess, win the heart of heartthrob Link Larkin, and integrate a television show ... all without denting her 'do?

Don't miss Broadway's big musical hit!

Tips from the Office:

Please refrain from parking along the road in front of the studio on either side of the street, as crossing between the parked cars poses a safety hazard. There is additional parking behind the studio.

5678 Blog! What we can learn from Star's "Dance Power Stars!"

If you're a Dance Power Star, you already know these things. But if you're not a bundle of dancing creativity, joy and wonder packed into the body of a 2, 3, 4 or 5-year-old dancing at Star, read on!

1. **Don't be afraid to shout out loud "I DID IT!"** Dance Power Stars are often quick to celebrate their successes in dance with a big smile and a squeal of joy.
 2. **Enjoy the routine.** These young dancers start with a warm-up and work their way through all of their dance styles each week, becoming familiar with songs, moves, and feelings. This helps them be comfortable each week, and learn effectively at the same time.
 3. **BUT - also be ready for something new.** In the routine, teachers occasionally throw in some surprises! A new variation, step or a seasonal song helps to shake things up and enhance that routine!
 4. **Come dressed for success!** Have you seen these cuties? They are ready to move in their uniforms, fun and funky hair styles, and fabulous footwear.
 5. **Say whatever is on your mind.** Go for it! It feels good! Unicorns, marshmallows, ballerinas, random science facts, Mom's cooking... whatever you like. Express your thoughts.
 6. **Love your reflection.** Dance Power Stars often enjoy looking at their amazing selves from all angles, for any amount of time. They love and appreciate how their body moves and all it can do! Take a look!
 7. **Speak multiple languages.** Did you know Dance Power Stars learn dance terms in french, learn the language of music, and experience rhythms from cultures around the world?
 8. **Have mentors.** Dance Power Stars are quick to look up to their class assistants and teachers. They quickly recognize that these professionals and future stars can show them many new things and help their dancing dreams come true.
 9. **Eat healthy.** Have you seen the snacks these Dance Power Stars eat after class? After dancing their hearts out, we often see these little dancers eating nutrition-packed healthy foods, and water to replenish.
 10. **KNOW YOUR SUPER POWERS.** Dance Power Stars know they have super listening powers, super funky dance powers, super jumping powers, super cheering powers, super learning powers.... The list goes on. Know what ya got, and use it!
